- ✓ A Roth option allows you to make after-tax contributions that may grow tax-free.<sup>1</sup>
- ✓ See a complete view of your overall retirement picture.
- ✓ Easily access your account and take action.

---

# It's fast and easy to enroll

 **33 seconds**<sup>1</sup>

Enrolling in your employer retirement plan is one of the simplest ways to save for retirement

<sup>1</sup> Based on enrollment data for period January 1, 2020 through December 31, 2020.

- 1 Go to your plan website and select *Register*.
- 2 Choose the *I do not have a PIN* tab.
- 3 Follow the prompts to create your username and password. Be sure to add your email address.
  - *Custom enrollment*: to select your contribution rate, type and funds.

## Your employer helps you save

Your plan provides for a match of Company Qualified Match - Fixed percentage.

► Visit [empowermyretirement.com](https://empowermyretirement.com) to register your account.

Additional plan details are available in the plan's Summary Plan Description and/or plan documents on the website.

---

## You're in charge of creating your future

- Save as much or as little as you like (up to the IRS maximum or plan limit).
- You can change your contribution rate anytime.
- You'll always have access to your savings if you need it through a loan or hardship withdrawal. Fees may apply.

- You can choose to have your savings rate automatically increase each year.

## Find the best way to invest for you

- Choose from a range of investments to manage your account on your own.
- Select a single pre-diversified target date fund based on your projected retirement date.\*

## Get a complete financial overview

Link accounts, such as banking, mortgage, credit card and other retirement plan accounts, to get a customized view of your overall financial situation.

### Look into your future

You can easily view what percentage of your estimated income you are on track to replace.
